> Building Service 32BJ Health Fund, et al. v. Nutrition Mgmt. Servs. Co., Re: Case No. 15-cv-3598

Dear Judge Woods:

Our firm is counsel for the Building Service 32BJ Benefit Funds (the "Funds"), the Plaintiffs in the above-referenced matter. Presently, the parties' Pre-Trial Proposed Conclusions of Fact, Conclusions of Law, and Memoranda of Law are due today, August 28, 2020. The parties jointly ask that this deadline, and the deadlines for the parties' responses to said filings, be adjourned for forty-five (45) days. This deadline was previously adjourned once, from July 31, 2020 to August 28, 2020.

This matter appears extremely close to settlement. This morning, Defendant made a settlement proposal that must be reviewed by the Funds' Trustees. The Trustees meet on or about September 23, 2020, and this proposal will be reviewed at that time. In light of this development, and the high likelihood that this matter will settle, the parties seek this adjournment.

Thank you for your attention to this matter. If you have any questions or concerns, please do not hesitate to contact the undersigned.

Application granted. The deadline for the parties to submit their pretrial materials is extended to October 15, 2020.

SO ORDERED.

**Dated:** August 31, 2020 New York, New York United States District Judge
